How Dinosaurs Became Extinct

Fr. Dennis' birthday is this Friday, June 4th. Be sure to wish him a Happy Birthday.

Fr. Dennis is also celebrating the anniversary of his ordination on Wednesday, June 2.

Evening Prayer

Someone has said that if Christians really understood the full extent of the power we have available through prayer, we might be speechless.

Did you know that during WWII there was an advisor to Churchill who organized a group of people who dropped what they were doing every day at a prescribed hour for one minute to collectively pray for the safety of England, its people and peace?

There is now a group of people organizing the same thing here in America. If you would like to participate: Every evening at 8:00 pm Central Time, stop whatever you are doing and spend one minute praying for the safety of the United States, our troops, our citizens, and for a return to a Godly nation. If you know anyone else who would like to participate, please pass this along. Our prayers are the most powerful asset we have.

“When he comes, the Spirit of truth, he will guide you to all truth. He will not speak on his own, but he will speak what he hears, and will declare to you the things that are coming.” **”**

Excerpts from the Lectionary for Mass 02201. 1998, 972 CCD.
