Dear Friends,

Summer is upon us and the sun is warm and wonderful. Thank God! As you plan your vacations and summer fun, please remember to check your ministry schedule. Please find your own substitute when your festivities take you in other directions...

A couple of reminders:

Communion Ministers - please wait up at the altar until all have received their vessels before going to your spots to distribute. When your line is through, please join a line that is still going. Just stand next to the people still distributing until your supply is completely given out or until all have received. Please take a few minutes after Mass and help with the washing of the vessels in the reconciliation room. It is very important that everyone helps out so the task will get finished and quickly as possible for everyone. Lastly, please remember to sign-in on the map in the sacristy so the sacristan will know that you are here and what position you have chosen...remember positions are "first-come".

Lectors - please do not read the short preludes provided before the readings in the Lectionary. Just start with "A Reading from the Book of..."

Ushers and Greeter – Warmly greet people and make sure that everyone gets a bulletin.

There is a Fall Availability Form included. Please take a look at your fall schedule and fill out the Availability Form. Please return it to the office by the due date on the form.

If you have any questions, thoughts or comments, please don't hesitate to contact me. Thank you for all you do; we can't do it without you!!

Peace,
