Friends,

Summer is almost here and Easter is even closer. As we carry on in our Lenten journeys, may we see the light of the resurrection at the end of any dark tunnels we may pass through.

A couple of quick notes...please arrive at least 20 minutes early when you are scheduled, don't forget to sign-in on the book on the counter in the sacristy (communion ministers, please sign-in on the dry ease map in your desired position),and if you are unable to be at your scheduled Mass, please find your own replacement.

You will notice I have included a summer availability form. I know that summers get busy and with all of the vacations and fun things that will go on it can become a hassle to find subs for the whole family or maybe you go away to your cottage for the summer and would like to be taken off until September. This is your opportunity to tell us your summer needs and gives us the opportunity to plan ahead. It is definitely a win/win.

I hope that this new electronic format is convenient for you because it will save a lot of trees and postage. As always, if you have any questions, thoughts or comments, please feel free to call or email.

Thanks for everything that you do; we couldn't do it without you.

Peace,

A handwritten signature in cursive script that reads "Lori".
