

St. Bernard Weather Closing Policy

Winter:

St. Bernard Parish will cancel all activities if the Appleton schools are closed.

If snow falls during the day and Appleton school is in session, St. Bernard will cancel activities if 5" of snow or more has fallen or if the roads are made roads hazardous due to icy conditions.

In the event of severe cold weather, activities will cancel if the air temperature is -10 or the windchill is -20.

Thunderstorms and Tornado Weather:

When severe weather is predicted or is occurring, St. Bernard will cancel all activities. **If people are in the buildings and a tornado warning is issued, they should move to restrooms or the inside hallways.**

The phone message will be updated in the evening to reflect the cancellation as will the St. Bernard website www.stbernardappleton.org

As always, you are encouraged to make your own decision as to whether to attend or not.
