Hi All,

Lent and Easter are right around the corner. It is an exciting time of new beginnings. Please take a look at the repeated song for the season of Lent, "Come Just As You Are." It will be a great way to offer a welcoming beginning to each Mass. It is a beautiful song that I think you all will like.

A couple of requests...When you swop Masses, please shoot me an email so I know who to expect and please do your best to be at Mass at least 15mins before the start. I'm a worry wart and this will help me to be a calmer person and give you a chance to run through the Psalm with your accompanist.

Thanks everyone for all you do. We couldn't do it without you.

**Peace,**

Lori
